

Allentown Neighborhood Improvement Zone (NIZ) 2020 Business Information Packet

For Calendar Year Reporting January 1 - December 31, 2020

Due on or before January 31, 2021

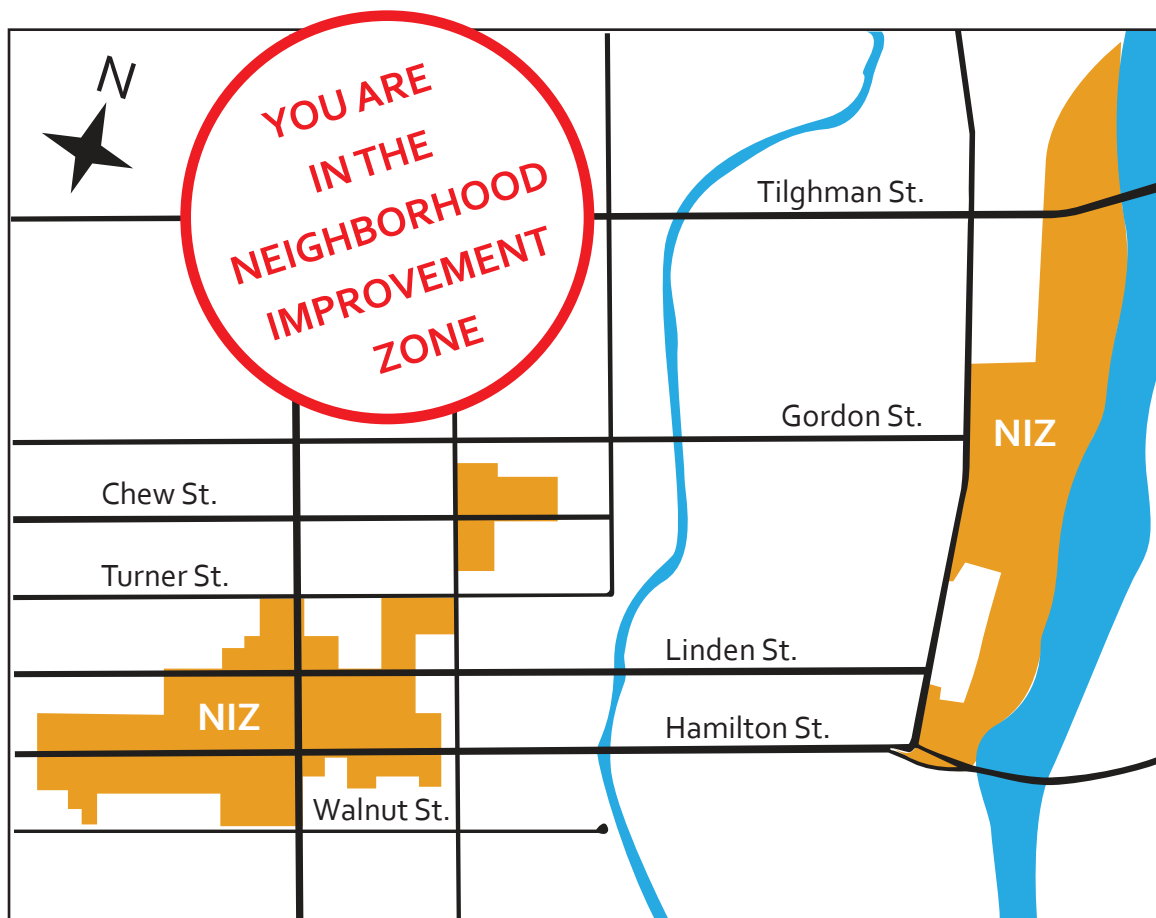

What is the Neighborhood Improvement Zone (NIZ)?

Created by a state law in 2011 and revised in 2016 and 2018, the Neighborhood Improvement Zone (NIZ) is a special taxing district that encourages development and revitalization in Allentown. The NIZ consists of approximately 128 acres in center city Allentown and along the western side of the Lehigh River.

Under the law, certain state and local tax revenues generated by new and existing businesses within the NIZ can be used to pay debt on bonds and loans that are issued for qualifying capital improvements in the zone. Those improvements include the public-private arena complex at Seventh and Hamilton streets as well as other private commercial, retail, residential, hospitality, conference and exhibition projects of approved applicants.

The NIZ is overseen and managed by the Allentown Neighborhood Improvement Zone Development Authority (ANIZDA): <https://allentownniz.com/>

Why was the NIZ created?

The NIZ was created as an economic development tool to spur the transformation of downtown Allentown, beginning with the construction of an event arena that is home to the Lehigh Valley Phantoms, the professional minor-league hockey team affiliated with the Philadelphia Flyers. Expanding from there, the NIZ is designed to revitalize the arena's whole neighborhood, as well as the city's Lehigh River waterfront, creating a dynamic, healthy and more successful urban core.

NIZ Benefits to Allentown:

- New commerce, increased tourism, new companies
- Thousands of new jobs
- A strengthened, more collaborative community
- A range of housing options
- A distinctive, attractive, vibrant downtown
- Smart growth that encourages multiple land uses **while preserving open space and historic buildings**

NIZ Benefits to Your Business:

- Expected property value increase
- Improved cleanliness, safety & streetscapes
- More parking and better access to your business
- Increased foot traffic with:
 - New housing, hotels, restaurants & retail
 - 2,000-3,000 more people working in the NIZ
 - Arena events 1 of every 3 nights
 - 4 million new visitors to Allentown each year

Allentown is now a destination city for commerce, entertainment, culture and more!

Frequently Asked Questions

14 How does my procedure for paying each of the taxes change?

It doesn't. In addition to your normal process, you must complete the State and Local NIZ tax reporting forms.

15 Is there online information about the procedures to follow?

State website to access online filing and instructions:

www.revenue.pa.gov/NIZ

Allentown Neighborhood Improvement Zone Development Authority website to access forms and instructions:

www.allentownniz.com/2020localnizform

www.allentownniz.com/2020postcard

www.allentownniz.com/2020reportingpacket

16 Do the rates for any of my taxes changes as a result of the NIZ?

No. There are no additional taxes as a result of NIZ creation. There is simply an additional reporting requirement where businesses must file State and Local NIZ forms to be received on or before January 31, 2021 for the calendar year ending December 31, 2020 (January 1, 2020 through December 31, 2020).

Tax rates won't change, nor are any new taxes implemented as a result of the NIZ. But if the project is successful, businesses most likely will pay more taxes on higher sales, income, etc.

17 Will this mean I need to do more accounting?

No. Your business will just need to use your existing information to report on the State and Local NIZ tax reporting forms.

18 If my organization is a non-profit, do I have to report?

Yes. Non-profit organizations are required to report. Only government instrumentalities are exempt from reporting. All other entities are required to report.

19 If I am a business working on a NIZ project, do I have to report?

Yes. All Contractors (including professional service firms) working on a NIZ project regardless of where they are working on the project, must report all state and local cash basis tax payments (less cash basis refund received) for those projects for taxes listed on the State NIZ Zone Program Annual Tax Report and on the City of Allentown NIZ Program Local Tax Report.

20 If I am a PPL Center arena business or a business involved in arena activity or event, or have participated as a supporting business in the arena, do I have to report?

Yes. Any entity doing business related to the arena (regardless of length of engagement) must report the cash basis tax payments related to that activity. See page 9 for requirements.
