## INDEPENDENT AUDITOR'S REPORT

May 20, 2022

To the Authority Board Members  
Allentown Neighborhood Improvement  
Zone Development Authority  
Allentown, Pennsylvania

### Opinion

We have audited the accompanying financial statements of the Allentown Neighborhood Improvement Zone Development Authority ("ANIZDA"), Allentown, Pennsylvania, as of and for the years ended December 31, 2021 and 2020, and the related notes to the financial statements, which collectively comprise ANIZDA's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of ANIZDA as of December 31, 2021 and 2020, and the changes in its financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ANIZDA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

ANIZDA's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the

To the Authority Board Members

Zone Development Authority

preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ANIZDA's ability to continue as a going concern for one year after the date that the financial statements are issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ANIZDA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ANIZDA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Zone Development Authority

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 8 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

DECEMBER 31, 2021 AND 2020**

**MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)**

The primary variances in the statement of net position were:

- In 2021, current assets increased by \$18,601,468 compared to 2020 primarily due to an increase in the year-end receivable from the Commonwealth of Pennsylvania and the reclassification of investments to current assets as a result of scheduled maturities of investments. This was offset by a decrease in cash and cash equivalents. Comparing 2020 and 2019, current assets decreased by \$11,737,897 primarily due to a decrease in the year-end receivable from the Commonwealth of Pennsylvania and the reclassification of investments to noncurrent assets as a result of scheduled maturities of investments exceeding one year from the statement of net position date. This was offset by an increase in cash and cash equivalents.
- In 2021, noncurrent assets decreased by \$9,299,705 compared to 2020 due to a decrease in noncurrent investments and an increase in accumulated depreciation. In 2020, noncurrent assets increased by \$1,802,436 compared to 2019 due to an increase in noncurrent investments, which was offset by the increase in accumulated depreciation.
- In 2021, long-term liabilities decreased by \$5,529,237 compared to 2020 due to payments made on long-term debt. Comparing 2020 and 2019, long-term liabilities decreased by \$5,384,237 also due to payments made on long-term debt.

The primary variances in the statement of revenues, expenses, and changes in net position were as follows:

- In 2021, operating revenues increased by \$22,574,011 compared to 2020 primarily due to an increase in the NIZ revenue remitted by the Commonwealth of Pennsylvania and the timing of returns of excess NIZ revenues to the Commonwealth. In 2021, there was one accrual for the return of 2021 excess NIZ revenue, while in 2020 there was an accrual for return of 2020 excess NIZ revenues in addition to a return of 2019 excess NIZ revenues.

**ALLENTOWN NEIGHBORHOOD IMPROVEMENT ZONE DEVELOPMENT AUTHORITY  
DECEMBER 31, 2021 AND 2020**

**MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)**

- Investment income decreased by \$868,996 when comparing 2021 and 2020 due to a downturn in market performance in 2021 compared to 2020. In 2020, investment income increased by \$104,556 when compared to 2019. This increase can be attributed to improved market performance in 2020.
- Capital grant expense increased by \$2,205,277 when comparing 2021 and 2020 due to increased development activity funded through ANIZDA's Public Improvement Investment Program. Comparing 2020 and 2019, capital grant expense decreased by \$2,096,319 due to decreased development activity funded through ANIZDA's Public Improvement Investment Program.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Allentown Neighborhood Improvement Zone Development Authority ("ANIZDA") is a public instrumentality of the Commonwealth of Pennsylvania ("the Commonwealth"), and a body corporate and politic created by the City of Allentown ("the City"). ANIZDA was incorporated under the Pennsylvania Economic Development Financing Law. A certificate of incorporation was issued to ANIZDA by the Secretary of the Commonwealth on March 23, 2012. ANIZDA's existence will continue for 50 years to March 23, 2062.

The criteria for including organizations within ANIZDA's reporting entity, as set forth in the Governmental Accounting Standards Board *Codification of Governmental Accounting and Financial Reporting Standards* ("GASB Codification"), relate to financial accountability. On the basis of these criteria, ANIZDA has no other entities that are required to be included in its financial statements, nor is ANIZDA includable in the financial statements of any other reporting entity.

ANIZDA was created by the City as a dedicated industrial development authority to implement and administer development and financing of projects in the Neighborhood Improvement Zone ("the NIZ"), as explained below, to manage the unique financing structure of the NIZ, including the financing and development of the Arena Project and related supporting projects.

The provisions of Act 50 of 2009, Act 26 of 2011, Act 87 of 2012, and Act 52 of 2013 as amended in Act 84 of 2016 and Act 43 of 2017 of the Pennsylvania General Assembly, authorize, among other things, the establishment of the NIZ in an area not greater than 130 acres located in the City of Allentown and the pledge of revenues to ANIZDA derived from the taxes enumerated in the NIZ Act from all taxpayers associated with a qualified business, as defined below, located in the NIZ, distributed, or to be distributed to ANIZDA by the Treasurer of the Commonwealth ("the NIZ revenues") for the payment of debt service on the bonds or obligations issued to finance improvements and developments within the NIZ, including the construction of the Arena Project within the NIZ. The NIZ contains approximately 128 acres.

The NIZ Act defines a "Qualified Business" as an entity authorized to conduct business in the Commonwealth which is located or partially located within the NIZ and engaged in the active conduct of a trade or business for the taxable year.

The NIZ Act provides for the Commonwealth to transfer to ANIZDA the NIZ revenue attributed to the previous calendar year prior to March 20<sup>th</sup> of each year.

ANIZDA is authorized to acquire, hold, construct, improve, maintain, own, finance, and lease, either in capacity of lessor or lessee, industrial, specialized, or commercial development projects and serve as successor contracting authority to the Allentown Commercial and Industrial Development Authority ("ACIDA") for purposes of administering the NIZ. ANIZDA's

powers are limited to development activities within the NIZ. ANIZDA is authorized to assume or issue debt to refinance debt issued by ACIDA for NIZ-related projects and acquire the NIZ-related assets held by ACIDA in the Arena Block.

ACIDA is a separate entity and independent of ANIZDA. ACIDA has served as the City's economic development financing arm since 1983. ACIDA acted as the initial creator of the NIZ and designated the initial boundaries of the NIZ as required by the NIZ Act. In addition, in 2011, ACIDA incurred the initial debt under the NIZ Act to finance certain property acquisitions for the site of the arena and related development projects.

On October 2, 2012, ANIZDA and ACIDA entered into an asset purchase agreement whereby all NIZ-related assets were acquired by ANIZDA. In addition, ANIZDA assumed all liabilities relating to the ownership of the real property and all contracts entered into by ACIDA.

Basis of Accounting

The term "basis of accounting" is used to determine when a transaction or event is recognized on ANIZDA's operating statement. ANIZDA uses the accrual basis of accounting. Under this basis, revenues are recorded when earned and expenses are recorded when incurred, even though actual payment or receipt may not occur until after the period ends.

ANIZDA applies all relevant principles as identified in the GASB Codification. GASB is the accepted standard-setting body for establishing governmental accounting and financial reporting principles and accounting principles generally accepted in the United States of America.

Basis of Presentation

ANIZDA's accounts are organized as an enterprise fund. The operations are accounted for with a set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position, revenues, and expenses. Enterprise funds are used to account for operations that provide a service to the public financed by charges to users of that service and activities where the periodic measurement of net income is deemed appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Use of Estimates in the Preparation of Financial Statements

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

ALLENTOWN NEIGHBORHOOD IMPROVEMENT ZONE DEVELOPMENT AUTHORITY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Cash Equivalents

Cash equivalents include all deposit accounts and highly liquid investments in money market mutual funds.

Investments

Investments are recorded at fair value.

In establishing the fair value of investments, ANIZDA uses the following hierarchy. The lowest level of valuation available is used for all investments.

*Level 1* – Valuations based on quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access.

*Level 2* – Valuations based on quoted prices of similar products in active markets or identical products in markets that are not active or for which all significant inputs are observable, directly or indirectly.

*Level 3* – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Net Position

The financial statements report net position in one of three components. Net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of borrowing attributable to acquiring, constructing, or improving those assets. Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. Unrestricted net position consists of net position that does not meet the definition of "net investment in capital assets" or "restricted."

Use of Restricted/Unrestricted Net Position

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, ANIZDA's policy is to apply restricted net position first.

Restricted net position consists of NIZ revenues restricted for the payment of debt service on the bonds or obligations issued to finance improvements and developments within the NIZ per the NIZ Act.

ALLENTOWN NEIGHBORHOOD IMPROVEMENT ZONE DEVELOPMENT AUTHORITY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Accounts Receivable

Accounts receivable are stated at net realizable value. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms.

Management's estimate of the allowance for uncollectible accounts receivable is based on historical collection rates and an analysis of the collectability of individual receivables. The allowance for uncollectible accounts was \$0 as of December 31, 2021 and 2020.

Capital Assets

ANIZDA defines capital assets as assets with an initial, individual cost of more than \$2,000 and an estimated useful life in excess of one year.

Capital assets of ANIZDA are recorded at their actual cost. Donated assets are valued at their estimated fair value on the date donated. Depreciation of all exhaustible capital assets is charged as an expense against their operations. Depreciation is computed using the straight-line method over estimated asset lives as follows:

Buildings	40 years
Land improvements	15 - 40 years
Equipment	5 - 15 years
Leasehold improvements	10 - 40 years

Major additions and betterments are capitalized while expenses for maintenance and repairs that do not add value to the asset or materially extend asset lives are charged to operations as incurred.

Bonds Payable

In the financial statements, bonds payable are reported as liabilities. The bond premium is deferred and amortized over the life of the bonds using the straight-line method. Bond issuance costs are expensed when incurred.

Deferred Inflows and Outflows of Resources

In addition to assets and liabilities, the statement of net position will sometimes report separate sections for deferred inflows and deferred outflows of resources. These separate financial statement elements represent acquisition or use of net position that applies to a future period(s) and so will not be recognized as an inflow or outflow of resources (revenue or expense) until that time. ANIZDA currently has two items that qualify for reporting in this category. Cumulative rents received from the arena lease in excess of the cumulative amount recognized as revenue using the straight-line method over the life of the lease are reflected as deferred

ALLENTOWN NEIGHBORHOOD IMPROVEMENT ZONE DEVELOPMENT AUTHORITY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

inflows of resources on the statement of net position. In addition, deferred amounts on the refunding of bonds are reflected as deferred outflows of resources on the statement of net position.

Revenues and Expenses

Revenues and expenses are distinguished between operating and nonoperating items. Operating revenues generally result from providing services in connection with ANIZDA's principal ongoing operations. The principal operating revenues of ANIZDA include developer fees and arena rents. Operating expenses include Developer Dedicated NIZ Revenue, parking management and maintenance fees, depreciation expense, and other administrative costs. All revenues and expenses not meeting these definitions are reported as nonoperating revenues and expenses.

NOTE 2 DEPOSITS AND INVESTMENTS

ANIZDA is allowed to invest in certain qualified investments as defined by the Amended and Restated Master Trust Indenture for its bonds. Subject to certain limitations and credit ratings, qualified investments include:

- Cash deposits (insured at all times by the Federal Deposit Insurance Corporation or otherwise collateralized with direct obligations of the United States of America).
- Direct obligations of the United States of America.
- Obligations of federal agencies backed by the full faith and credit of the United States of America.
- Obligations of federal agencies not fully guaranteed by the full faith and credit of the United States of America.
- U.S. dollar denominated deposit accounts, federal funds, and bankers' acceptances.
- Domestic commercial paper.
- Domestic money market mutual funds.
- Demand deposits, including interest-bearing money market accounts, time deposits, trust funds, trust accounts, overnight bank deposits, interest-bearing deposits, and certificates of deposit or bankers acceptances.

Deposits

At December 31, 2021, the carrying amount of ANIZDA's deposits was \$8,930,751, and the bank balance was \$8,677,218. Of the bank balance, \$6,112,134 was insured by federal depository insurance, and \$2,269,875 was collateralized by pooled securities in accordance with Act 72 of 1971 ("Act 72"). At December 31, 2020, the carrying amount of ANIZDA's deposits was \$11,131,215, and the bank balance was \$11,357,432. Of the bank balance, \$6,687,477 was insured by federal depository insurance, and \$1,019,550 was collateralized by pooled securities in accordance with Act 72 of 1971 ("Act 72"). To the extent that deposits exceed federal insurance, the depositories must pledge as collateral obligations of the United States of America, the Commonwealth of Pennsylvania, or any political subdivision of the Commonwealth. Under Act 72, as amended, the depositories may meet this collateralization requirement by pooling appropriate securities to cover all public funds on deposit. The deposits collateralized in accordance with Act 72 were exposed to custodial credit risk because they were uninsured, and the collateral held by the depository's agent was not in ANIZDA's name.

As of December 31, 2021 and 2020, \$295,209 and \$3,650,405, respectively, of ANIZDA's deposits were invested in a domestic money market mutual fund managed by Goldman Sachs. Goldman Sachs is registered with the Securities and Exchange Commission and subject to regulatory oversight. The objective of the fund is to maintain a stable net asset value of \$1 per share. In addition, the fund is rated by nationally recognized rating organizations (Moody's Investors Service rating of Aaa-mf and Standard & Poor's rating of AAAM as of December 31, 2021 and 2020) and is subject to an independent annual audit.

As of December 31, 2021 and 2020, none of ANIZDA's investments were subject to custodial credit risk.

Interest Rate Risk

The Master Trust Indenture and Amended and Restated Master Trust Indenture do not limit the maturity dates of investments. As of December 31, 2021 and 2020, all of ANIZDA's investments mature at various times through 2025.

Credit Risk

The Master Trust Indenture and Amended and Restated Master Trust Indenture do not limit the credit ratings of investments.

ALLENTOWN NEIGHBORHOOD IMPROVEMENT ZONE DEVELOPMENT AUTHORITY

NOTES TO FINANCIAL STATEMENTS

NOTE 3 DEVELOPMENT OF THE ARENA BLOCK (cont'd)

October 1, 2012, effective as of June 15, 2012, as amended. This agreement sets forth the terms amongst the parties for the purpose of coordinating various development, planning, permitting, and financing activities necessary to construct a mixed-use facility on a portion of the Arena Block, including the Arena Project. The Arena Block is located within the NIZ as defined in Note 1.

The Arena Project was the first phase of the development on the Arena Block, which was completed during 2014. The Arena Project includes a multipurpose arena (8,500 seats for hockey, with up to 10,000 seats for concerts), parking facilities, land acquisitions, site improvements, and the development of supporting infrastructure.

ANIZDA declared the Arena Block to be a condominium form of ownership, and the property was converted into nine separate units, all individually owned. The Condominium Instrument provides for the units to be numbered as Unit One ("the Arena Building"), Unit Two ("the Office Building"), Unit Three ("the Hotel"), Unit Four ("the North Parking Deck"), Unit Five ("the South Parking Structure"), Unit Six ("the Commercial Unit"), Unit Seven ("the Retail Unit"), Unit Eight ("the Arena Side Commercial Unit"), and Unit Nine ("the Streetside Commercial Unit").

ANIZDA retains ownership of the Arena Building, the North Parking Deck, the South Parking Structure, the Retail Unit, and the Arena Side Commercial Unit, which were completed in 2014. The Office Building, the Hotel, and the Streetside Commercial Unit are owned by CCIC. CCIC financed these projects separately.

The lease, which was amended in 2014, commenced on September 1, 2014 for an initial lease period of 29 years with two 10-year renewal options. The Arena Operator has an option to purchase the arena at the end of the lease term at a purchase price of 120 percent of the total arena development costs or fair market value, whichever is greater.

Under the terms of the agreement, the Arena Operator shall use and operate the arena for hosting all American Hockey League ("AHL") home games for the Phantoms, other AHL events, concerts, trade shows, and other events. All costs, charges, and expenses relating to the use, occupancy, repair, and maintenance of the arena, including but not limited to assessments for improvements, utilities and services, insurance, operation, maintenance, and repairs shall be paid by the Arena Operator. The Arena Operator is entitled to receive and retain all revenues (net of applicable taxes) from all events except for community events. The Arena Operator will also receive all revenues from sponsorship, naming rights and signage on or inside the arena.
